## BLEND

**Ask us how you can create your own custom blend that suits your particular palate.**

The process starts by identifying 2-4 wines you want to blend with and creating a few 100ml blend batches using those wines. Once you have chosen your preferred blend we can produce a bottle (or more) for you.

**Blend batches are \$7 each. Bottles are \$35 for one, \$30 for three or more.**

## CREATE

**Add a unique and personalized touch to any bottle of wine!**

We offer customized labels that include a photo and/or message– perfect for a memento or special gift.  
**Pre-printed labels are \$4, completely custom are \$8. Please ask your server for examples and options.**
